26th December,2024.

The National Chairman
New Patriotic Party
NPP Headquarters
Accra.
Dear Sir,

FORFEITURE OR SUSPENSION OF MEMEBRSHIP NOTICE YENDI CONSTITUENCY.

I write to humbly notify the National and the Regional leadership of the party and the General public that the following members of the party have forfeited their membership or have been summarily suspended as members of the party in accordance with Article 3 Clause (9)(1), Clause (7)(1) and Clause (8)(1) of the party's constitution (2017) as amended with effective date, 26th December,2024 based on adverse findings against them by the Constituency Executive Committee and the Disciplinary Committee of the party.

These decisions were made unanimously at an expanded Constituency Executive Committee meeting held on 23rd December,2024. The composition of the meeting were Constituency Executives, Council of Elders, Council of Patrons and the Disciplinary Committee Members of the Party.

The leadership of the party received several complains from other party members against the said persons in a form of petitions for a breach of the party's Constitution. These petitions from the individuals were thoroughly deliberated and resolution adopted at the end of the meeting in which adverse findings were established against certain individuals in the just ended presidential and parliamentary elections.

The adverse findings per the complains made through petitions as submitted against the said persons were:

- Standing as an independent candidate against the officially elected parliamentary candidate of the party
- Joining or declaring their support for another political party
- Supporting an independent candidate in the just ended December 7th 2024 election in Yendi constituency.
- Officials of the party who refused to work for the party in the just ended presidential and parliamentary elections.

The leadership of the party had to invoke the relevant provisions of the Party's constitution which was breached by the said persons in which the complains were lodged against by other party members in a form of petitions.

Article (3) clause (9)(1) states, "A Member of the Party who stands as an independent Candidate against the officially elected member of the party or joining or declaring his or her support for another political party, or for an independent candidate when the party has sponsored a candidate in a general or by-election automatically forfeits his or her membership of the party." Therefore, all affected persons under this category cease to be members of this party until otherwise determined by the Disciplinary Committee.

According to article (3) Clause (7)(1) ," A Member may be suspended from membership of the party, or holding any office in the party, pending an enquiry into his or her conduct by a Disciplinary Committee." Therefore, all affected polling station executives who refused to work for the party in the just ended presidential and parliamentary elections have been duly suspended pending a Disciplinary Committee report on their status in the party going forward.

According to Article (3) Clause (8)(1), "A Member may be expelled from the party on the grounds of misconduct in accordance to the provisions of the constitution, and, upon such expulsion shall cease to be a member." Therefore, all affected persons under this category cease to be members of this party until otherwise determined by the Disciplinary Committee.

We kindly attached to this notice the list of all the individuals affected based on the provisions of the party's Constitution that have been breached by the said persons.
Thank you for your attention.

Yours faithfully,

Alhaji Baba Gazali
Chairman, NPP, Yendi Constituency.
